## TEAR ME DOWN

I wanted a lesson in truth  
And I'm waiting  
But don't worry  
Baby don't you  
I wanted a lesson in truth  
Maybe I run to much  
But I can't find  
I can't find  
I can't understand  
Who I am?  
But I can't find  
I can't find  
What I want?  
Maybe I'm a wall to tear down

*Oh oh oh*

*Oh oh oh*

**Tear me down**

*Oh oh oh*

*Oh oh oh*

**Tear me down**

I wanted a lesson in truth  
And I'm waiting  
But don't worry  
Baby don't you  
I wanted a lesson in truth  
Maybe I run to much  
From me, from you, from all.  
But I can't find  
I can't find  
I can't understand  
Who I am?  
But I can't find  
I can't find  
What I want?  
Maybe I'm a wall to tear down

*Oh oh oh*

*Oh oh oh*

**Tear me down**

*Oh oh oh*

*Oh oh oh*

**Tear me down**

There is nothing to look for  
If you don't love yourself  
What could you expect?  
How to save?  
Perhaps the only way is  
A white sheet so  
Put me under ground

*Oh oh oh*

*Oh oh oh*

**Tear me down**

(What could you expect? How to save?)

*Oh oh oh*

*Oh oh oh*

**Tear me down**

(What could you expect? How to save?)

I wanted lesson in truth  
and I'm waiting...

## TONIGHT

Jumping and jumping again baby  
Jumping and jumping again  
Jumping and jumping again by my side  
Over and over again baby  
Over and over again  
Over and over again we can fly

I keep walking on the mirror store  
I take my time  
And I'll be fine  
I keep walking on the mirror store  
I take my time  
But I don't mind

**Tonight**

**Tonight** I want keep on fly

**Tonight**

**Tonight** I want keep on fly

Jumping and jumping again baby  
Jumping and jumping again  
Jumping and jumping again by my side  
Over and over again baby  
Over and over again  
Over and over again we can fly

I keep walking on the mirror store  
I take my time  
And I'll be fine  
I keep walking on the mirror store  
I take my time  
But I don't mind

**Tonight** I want keep on fly

**Tonight** I want keep on Kissing your eyes

*I keep walking on, walking on the mirror*

*I keep walking and I take my time*

**UNCOLOR**

It's in the color that you will find it  
It's in the **uncolor** that will find it  
With the moon eyes  
And the sun heart  
With the moon eyes  
And the sun heart

*It's in the road  
That will find yourself  
It's in the road  
That will find yourself*

It's in the color that you will find it  
It's in the **uncolor** that will find it  
With the moon eyes  
And the sun heart  
With the moon eyes  
And the sun heart

*It's in the road  
That will find yourself  
It's in the road  
That will find yourself*

Did you know when I'm wrong  
Did you know when I'm right  
Did you know when I cry  
And I want just to leave

Did you know when I laugh  
'cause you still love me  
Yeh you still love me  
'cause I see

*It's in the road  
That will find yourself  
It's in the road  
That will find yourself*

**WATER!**

tu tu tu da da  
tu tu **water**  
tu tu  
tu tu **water**

when we'll be over the rain  
we'll be the sky and water  
when I will never be the same  
we'll die and cry for all the pain

**Water** takes all away, all  
**Water** comes from our faces  
And thousand faces

When all the drops call my name  
We'll be the sky and **water**  
I will brake free and stay  
On my own in a frozen lake

**Water** takes all away, all  
**Water** comes from our face  
And thousand faces  
And thousand faces  
And thousand faces

tu tu tu da da  
tu tu **water**  
tu tu  
tu tu **water**

**Water** takes all away, all  
**Water** comes from our face  
And thousand faces  
And thousand faces

tu tu tu da da  
tu tu **water**

**Water** takes all away, all  
**Water** comes from our face

Tu tu tu da da  
Tu tu **water**  
Tu tu tu da da  
Tu tu **water**
